A diagram of a form within a blue border. It contains two white rectangular input fields stacked vertically. Below them is a solid green rectangular button. A yellow arrow with a blue outline points to the bottom-right corner of the green button.

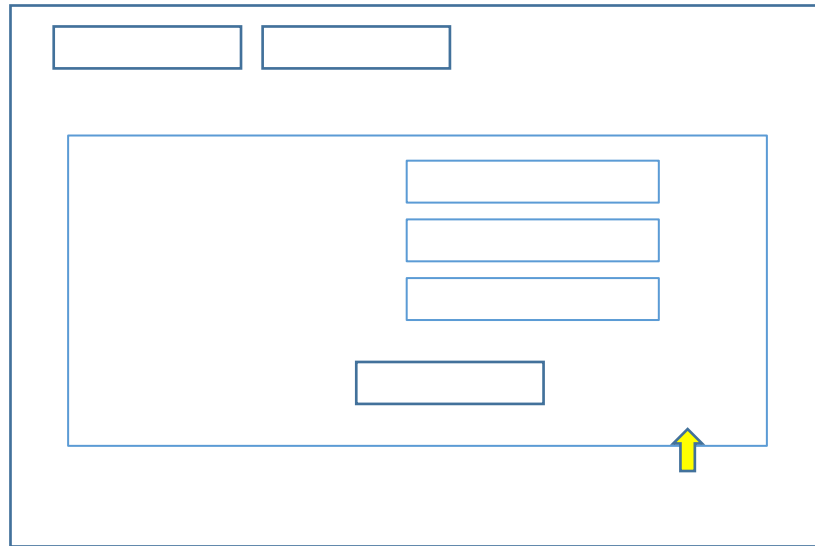

Step 19: Admin page if we want to add vendor click on add vendor

A diagram of a form within a blue border. It contains a solid green rectangular button on the left and a white rectangular input field on the right. A yellow arrow with a blue outline points to the bottom-center of the green button.

Step 20: Show Add vendor page fill all the information and click on add

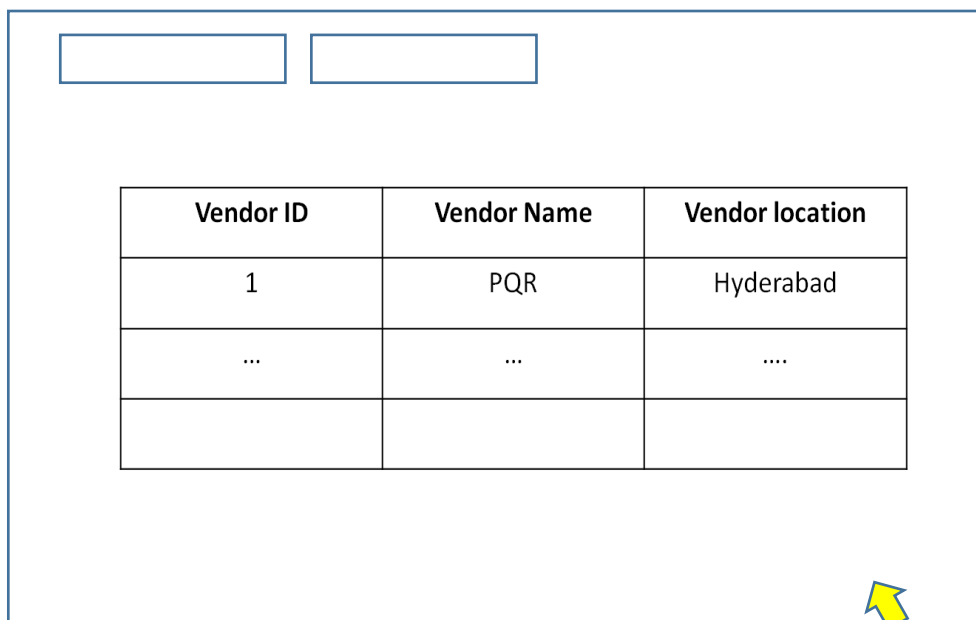

A diagram of a form within a blue border. At the top, there are two white rectangular input fields side-by-side. Below them is a larger rectangular container. Inside this container, there are three white rectangular input fields stacked vertically. At the bottom of this container is a solid green rectangular button. A yellow arrow with a blue outline points to the bottom-center of the green button.

Step 21: To view all the vendors added click on view all

A screenshot of a web form for adding vendors. At the top, there are two empty rectangular input fields. Below them is a larger rectangular container. Inside this container, on the right side, there are three stacked rectangular input fields. Below these, on the left side, is one rectangular input field. A yellow arrow points to the bottom right corner of the larger container.

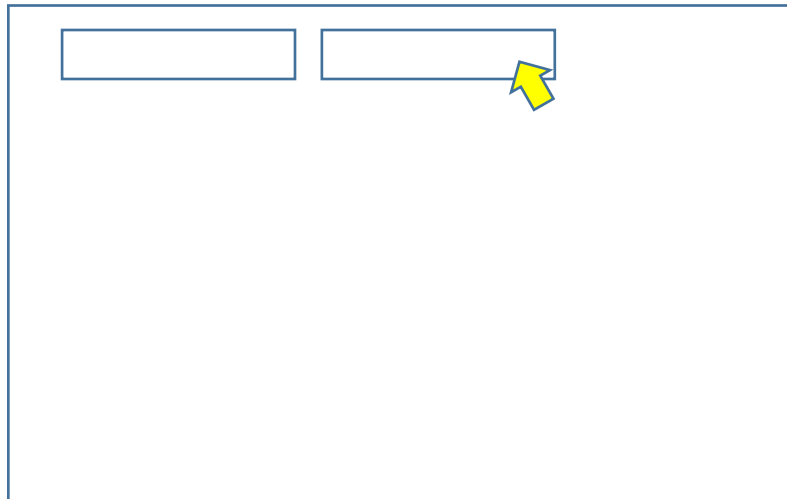

Step 22: show all added vendors page and if you want to go to main vendor page click on back

A screenshot of a web page showing a table of vendors. At the top, there are two empty rectangular input fields. Below them is a table with three columns: Vendor ID, Vendor Name, and Vendor location. The table has three rows: the first row contains '1', 'PQR', and 'Hyderabad'; the second row contains '...', '...', and '....'; the third row is empty. A yellow arrow points to the bottom right corner of the page.

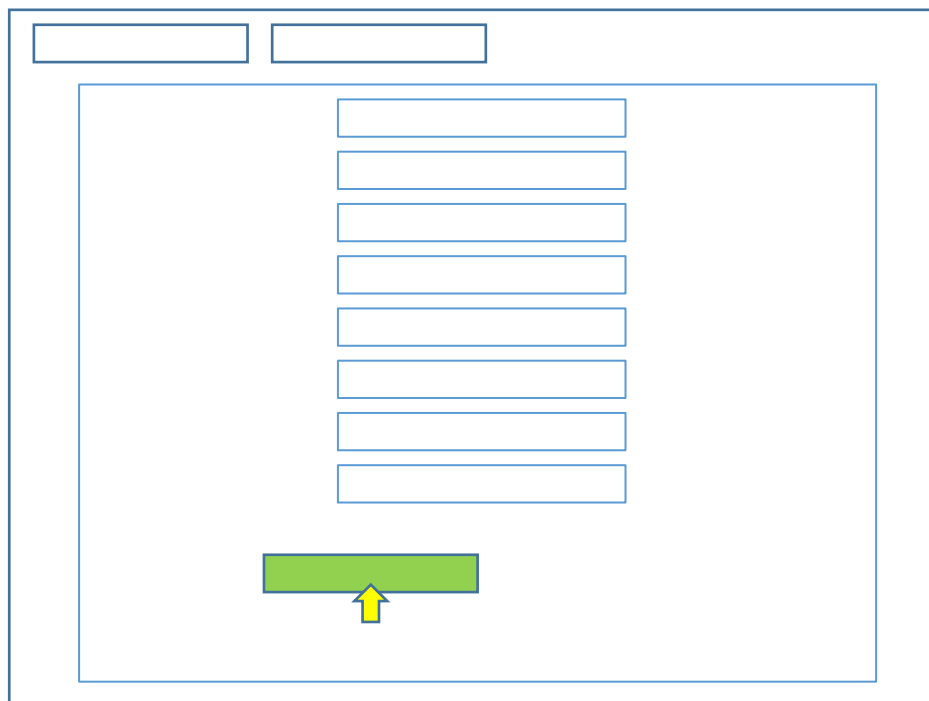

Vendor ID	Vendor Name	Vendor location
1	PQR	Hyderabad
...

Step 23: To add new product click on add product

A diagram of a form with two empty rectangular input fields at the top. A yellow arrow points to the right side of the second input field.

Step 24: Show add product page fill all the information and click on add button and to view all added products click on view all

A diagram of a form with two empty rectangular input fields at the top. Below them is a large rectangular container with a light gray background. Inside this container, there are eight empty rectangular input fields stacked vertically. At the bottom of this container is a green rectangular button. A yellow arrow points upwards to the center of the green button.
